TAXI

Be careful! A taxi driver can charge you any amount of money if the price is displayed in the car. We recommend you to use Taxi Stockholm, Taxi Kurir or Sverigetaxi.

Taxi Stockholm is the largest company and their cars are easily recognised since they display their telephone number, 15 00 00, on their cars.

If you choose to take a taxi from Arlanda (only advisable if you are three or more) you should ask for the fixed charge that they should have to Stockholm.

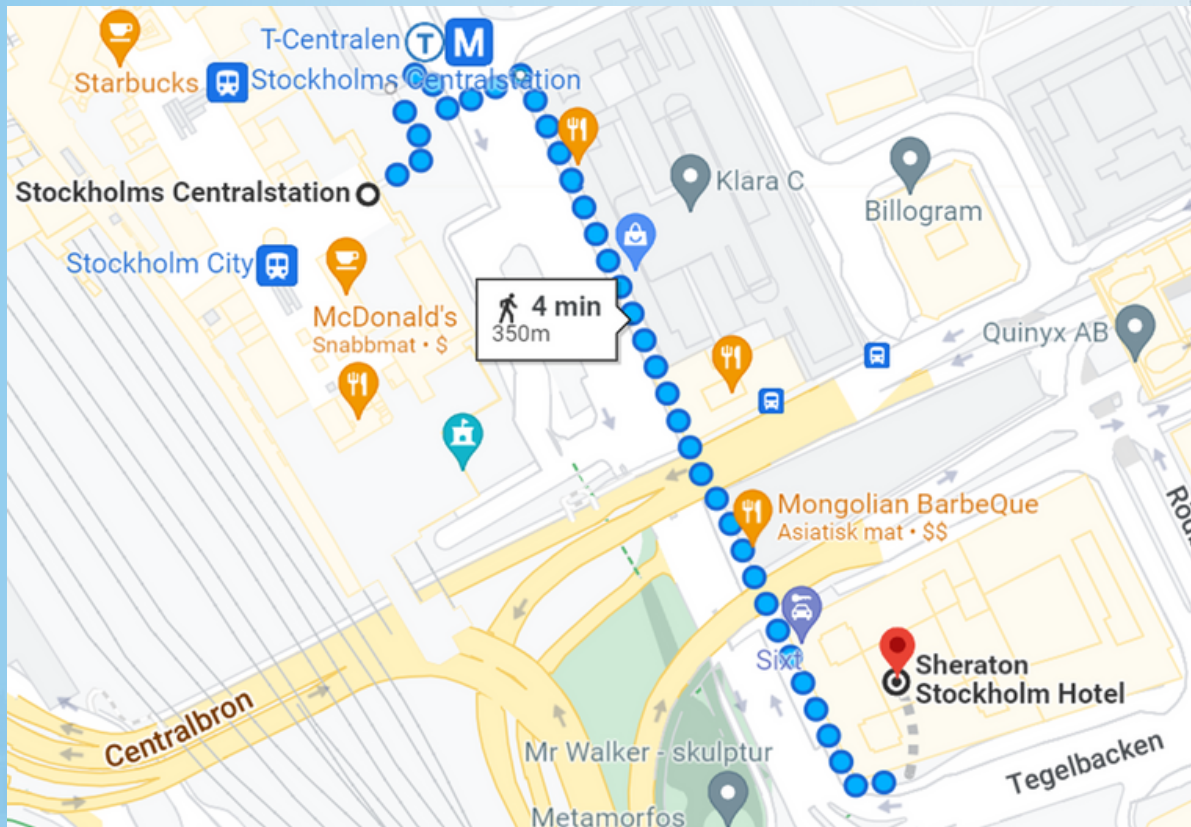

Taxi Stockholm: +46 8-15 00 00.

Uber and Bolt are also available in Stockholm.

FROM STOCKHOLM CENTRAL STATION TO SHERATON HOTEL

The conference will be held at Sheraton Stockholm Hotel, which is only a few minutes' walking distance from the Central Station (see map below). The City Hall is within sight from Sheraton. Sheraton Hotel is also where you will all be staying (unless you have made other arrangements yourselves). Please note that the rooms are available from 16:00. If you arrive at the hotel earlier, ask the reception if rooms are already available. Otherwise, you can deposit your luggage at the hotel.

Address: Tegelbacken 6

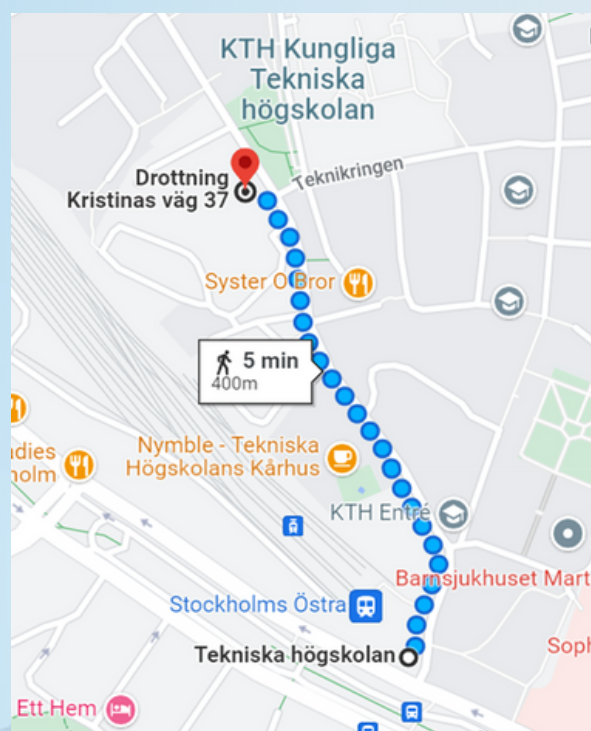

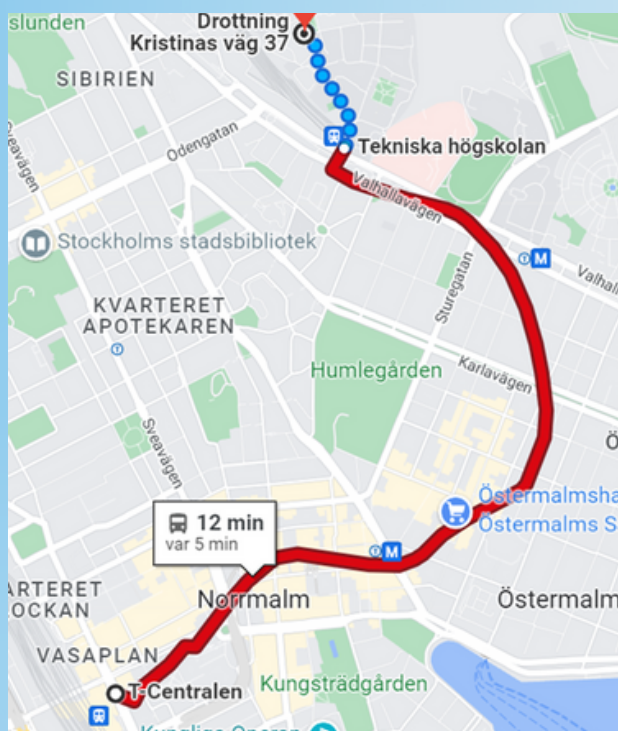

FROM STOCKHOLM CENTRAL STATION TO THE SWEDISH INSTITUTE OF INTERNATIONAL AFFAIRS (UI/SIIA)

The seminar on November 30 at 17.00 will be held at our institute. You may take the underground from T-Centralen (the sign is a big blue T). Take a train marked 14, running in the direction of Mörby Centrum. After passing the Östermalmstorg and Stadion stations, exit the train at Tekniska högskolan. From there you have a five-minute walk to the institute, a white building on your left marked Försvarshögskolan and Utrikespolitiska Institutet (see maps below).

Underground tickets can be purchased at SL centers, at ticket offices, at newsstands, by SMS or through the SL app (on Android or iPhone). The 75-minute single ticket costs 38 SEK.

Address: Drottning Kristinas väg 37

Some of you will stay on for a few more days in Stockholm. You will find useful information on various kinds of tickets and how to use public transport here.
