TEACHING

To this date, I have 399 lecture hours/1596 clock hours of teaching experience. I have taught courses in international relations, international relations theory, sociological approaches to international relations, and interpretative and critical research. In terms of positions and roles, I have developed courses (both in total and partially), been the main responsible teacher, as well as participated as a lecturer and seminar teacher in a number of courses at the undergraduate, master, and doctoral level. I also have extensive experience in supervising and examining undergraduate and master theses. For more information about my teaching philosophy and experience, please see my pedagogical portfolio.
